

DAMON MEDWIN NICKEL

PRODUCT DESIGNER

Montréal, QC

damonmedwindesign@gmail.com

damonmedwindesign.com

linkedin.com/in/damonmedwin

Emerging product designer connecting digital experiences, service design and interior design. I observe user behaviour, uncover friction and translate human needs into clear, thoughtful experiences.

EXPERIENCE

Operations Coordinator

Brume Cantine

2026-Present

Refine workflows through staff observation and feedback to improve consistency and the customer experience. Coordinate inventory, ordering, scheduling and team check-ins.

Founder & Beverage Experience Consultant

Dry Structure Studio

2026-Present

Design hospitality experiences and workshops through research, prototyping and iteration. Create zero-proof menus, accessible resources and staff training materials.

Interior Designer

B. Bold Designs

2021-Present

Translate client needs into intuitive commercial and residential spaces. Develop technical drawings, layouts and 3D concepts; coordinate client and vendor feedback through delivery.

Operations Specialist

MPC / Moving Picture Company

2023

Coordinate workflows across operations, facilities, marketing and production. Create documentation and internal resources; support events, vendors and inventory.

Bar Manager

Wolf & Workman

2021-2024

Refine service standards through guest feedback and team coaching. Design story-driven beverage experiences and train staff on service, menus and guest communication.

SELECTED PROJECTS

Dose

Medication management prototype with clear dose schedules, medication history and optional caregiver access. Focused on accessible, low-friction interactions.

Northern Hospitality

Mobile app prototype for a Montréal bar group. Connects venue discovery with menus, hours, events and social updates.
